

Dear Action Mobility Foundation,

A heartfelt THANK YOU to the Foundation for the grant award that was received and helped to make the Actiontrack Chair a reality for Eric. Your generosity, caring and kindness means a lot to him and his family!

Eric had the opportunity to use the Trackchair on 2 occasions prior to being fortunate enough to get one of his own and what a difference it made in his self-esteem, mobility outdoors and his ability to participate more fully in the things that he likes to do! It was a real game changer for him.

Thank you again for your caring! You have truly changed his life and for that we will be forever grateful! We will never forget your example and support!

Warm Regards,

The Boerboom's

No Kind Action ever stops with itself. One kind action leads to another. Good example is followed. A single act of kindness throw's out roots in all directions, and the roots spring up and make new trees. The greatest work that kindness does to others is that it makes them kind themselves.
