

Norma Hofpar's letter of appreciation

I have received my Trackchair. I just love it. I have been so busy outside doing everything I couldn't do before. I want to thank you all for this new happiness in my life of being able to take my grandchildren outside and watch them play and interact with them. Thank you sooooo much. I really can't thank you enough. The chair is everything I expected. I even went out to the pasture to pick wild plums to make jelly. Thank you for that little happiness. (The jelly came out wonderful.) I haven't done that in 4 years. THANK YOU!!! THANK YOU!!!

Always,

Norma
